

A Legendary Christmas in Tennessee!

December 2021

Featuring Vince Gill & Amy Grant, Christmas at the Opryland Resort, Studio B and more!

Your Tour Includes

Day 1: Each year Gaylord's Opryland Hotel creates a glittering holiday extravaganza sparkling with the brilliance of nearly two million lights. Nine acres of indoor gardens are decorated with brilliant displays. Be sure to bring your camera! There will be many "Kodak moments" you will not want to miss including ICE!, a frozen winter wonderland of interactive sculpture on display carved from 1.5 million pounds of ice. Enjoy the view from your Atrium Room offering either a private balcony, patio, or bay window. Or you might choose to stay in a Traditional Room. Dinner will be on your own at any one of the many restaurants located within the Opryland Resort. Then join the group to head to the Ryman Auditorium, for a magical night with Vince Gill and Amy Grant at their annual Christmas at the Ryman concert!

Day 2: Breakfast is included at the hotel. Enjoy a free morning to explore the many Christmas themed attractions and decorations throughout the hotel. Check out the "Treasures of the Holidays," an art, antique, and craft fair and/or take in a Delta Flatboat ride. This afternoon, experience everything that is good about the south at Belle

Meade Plantation. Savor a delicious 3-course meal in the 1800's Carriage House and a free wine tasting at the onsite winery. Then take a guided tour of the 1853 Greek-Revival Mansion, during which a century of Belle Meade Plantation's history is told through the eyes of the Harding and Jackson Family and the skilled laborers who collectively worked to make the Plantation America's premier Thoroughbred Horse Farm. After your tour, you will have some leisure time to explore the Plantation grounds on your own. Then return to the hotel for some free time before dinner. This evening you have tickets to the Country Christmas Dinner Show at the hotel, starring TBD. **(B,L,D)**

Day 3: After breakfast, check out and head to the Country Music Hall of Fame. Begin on Nashville's famed Music Row with a tour of Historic RCA Studio B, Nashville's oldest remaining recording studio. Following the guided tour, gather around the legendary microphone for a recording session with a professional sound engineer. Then it's off to the museum to complete your tour experience. Enjoy lunch at a local hot spot before departing for home. **(B, L)**
